Join us in the Conscious Consumption Campaign

It's finally here! STAND has launched our new [Conscious Consumption Campaign](#), a semester-long advocacy project focusing on exploitative labor and other unethical business practices in East Turkistan/Xinjiang, Burma, and Yemen. Our goal is to divest from complicit corporations and put public pressure on them to stop contributing to genocide. Check out our Instagram, Twitter, Facebook, and website to keep up with what we're doing! See the image on the right as one of our weekly actions!
