Join us for our advocacy training to learn more about lobbying, op-ed writing, and conflict update writing! This is a great chance to get more confident with some of the advocacy tools you might want to use this semester. We'll be holding the event virtually on Saturday, February 11 at 4PM ET/ 1 PM PT. Chapter Slack Page!

This spring, we are hoping to help our chapters come together as more of a community. Please write back and let us know if you would be interested in joining a Slack group with other chapter leaders or having more national trainings or events. We would love to learn more about the amazing work you are all doing in your communities and how we can best support you. For now, some useful resources for your chapter may be our [fundraising guide](#) and our latest [conflict update](#).

Let's Get Educated!

STAND is also excited to be launching a genocide education campaign this semester. Keep an eye out for more resources – including chapter activities – coming your way!

Write for Us!

Each month we release a Conflict Update blog post, and YOU can be our next writer! Just choose a section you're interested in [here](#) and write a paragraph or two on recent conflict, human rights, and political developments in one of our education focus areas!
